

DELTA WETLANDS PROJECT

August 5, 2010

Hon. Phil Isenberg, Chair
Delta Stewardship Council
650 Capitol Mall
Sacramento, CA 95814

Dear Mr. Isenberg,

We have reviewed the second draft Interim Delta Plan and listened to the Council's discussion at their July 23, 2010 meeting. We are pleased that the Draft Interim Plan addresses the situation where projects become ripe for comment during the interim period.

As you know, the Delta Wetlands Project has issued a Draft EIR, has concluded the comment period, and we are in the process of responding to comments received. While the Council did not submit a comment, we continue to look for appropriate mechanisms to consult with the Council during the interim period. For that reason we also were pleased that you included review of the Delta Wetlands Project in your sample work plan and we look forward to developing a detailed work plan with the Council.

Sincerely,

Anson B. Moran
General Manager
